Respondent : M/s Jains & Alliance Palm Ventures Pvt. Ltd.

JOINT MEMO

1. The parties to the complaint jointly submit that the promoter has already delivered possession of the plot under the registered Sale Deed in favour of the complainants.
2. The Complainants hereby agree to pay a sum of Rs.2.5 per month per sq.ft for the registered plot area to the promoter towards regular common maintenance of the project in advance within 10th day of beginning of every quarter for initial 2 years and on revision beyond 2 years. The first quarter payment shall be a post-dated cheque on 01.07.2022. The regular common maintenance, at a minimum, will include the following:

A) Promoter to assign a dedicated Community Facility Manager, who is the Single Point of Contact (SPOC) for the Community residents, when the occupancy reaches 50 Villas. Until then, JVV project head will act as the SPOC and will be available at the site on all working days and on Saturdays except for the Govt Holidays. Also, SPOC will be available 24X7 for any emergency purpose.

B) Promoter to assign Electrician(s) to the site and the Electrician will be available on call 24x7 for attending to electricity related issues in Villas and in Common facilities.

C) Promoter to assign Plumber(s) to the site and the Plumber will be available on call 24x7 for attending to water and plumbing related issues in Villas and in Common facilities.

D) Promoter to deploy a minimum of 6 personnel for Gardening and Housekeeping during the day time on all days (including weekends and holidays) for upkeep and maintaining of garden, streets/roads, watering of the garden, garbage collection & disposal and housekeeping of the community. Out of these, two personnel will spend two hours for housekeeping and 6 hours for garden upkeep. This minimum 6 number of personnel is corresponding to occupancy of 20 Villas and it will go up by one for every addition of 45 more Villas.

3. Promoter hereby undertakes to complete the works pertaining to Annexure A within 3 months from today. The works mentioned in the Annexure A pertain to group of allottees and works mentioned in Annexure B pertain to the complainants in this case, which will be carried out upon payment of balance dues. The said Annexure A and Annexure B are enclosed to this Joint Memo and agreed to be treated as part and parcel of this Joint Memo.

4. The Promoter has kept the corpus collected from the Complainants/Allottees at the time of allotment of plot/villa in the bank and maintenance expenses could not be covered within the interest from the corpus fund.

5. Parties further submits that except this dispute they have no dispute whatsoever against each other and submit that if there is any other claim/case pending between them before any forum or court, the same may be disposed of as settled in view of this joint memo having been entered into by both the parties.

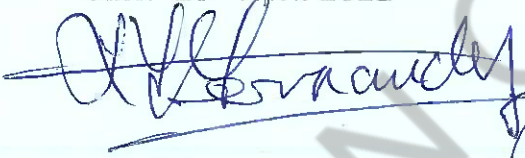

6. Parties after due deliberation of the above issues before the conciliator have agreed for disposal of the complaint as settled amicably between them and accordingly the Complaint bearing No.CMP/UR/210329/0007849 before RERA is deemed to have been withdrawn.

7. Parties further request that this compromise may be recorded, and the complaint may be closed in the Bruhat Lok Adalath scheduled to be held on 25.06.2022.

(Annexure-A)

1. Registration of Sites for all who paid 100%.
2. Katha Transfer to owners who have paid 100%.
3. Uninterrupted 24 X 7 water supply to all Villas and Common Facilities
4. Uninterrupted Power provided to Villa and Common area facilities, including street lighting, using BESCO power connection with an automatic power backup from Diesel Generator. Promoter will charge for electricity for each Villa monthly based on the number of units consumed as per the electricity meter installed at the Villa. The electricity charges will be computed based on the prevailing BESCO residential rate.

Note: Diesel Generator backup for the Villas and Common facilities is subject to a maximum limit of Rs.10,000 per month towards Diesel procurement. Any Diesel Procurement over and above Rs.10,000 per month shall be on actuals and distributed equally among all Villas. SPOC will be responsible for communicating any upcoming downtime of DG or alerting about the Diesel procurement threshold to Villa residents on an ongoing basis.

5. Street lighting, wherever required near the occupied villas and on the main streets
6. Sewage Treatment Plant to be made operational after up to 70% enough load is there in the STP tank and up to such point, basic maintenance of keeping the route of STP clean will be taken care by the promoter.

7. 24x7 Security: Security Guards provided at entry and exit points and for roaming through the streets of completed Villas on rotation basis. There will be a minimum of 5 Security Guards at any point of time at the site. This minimum number of Security Guards is corresponding to occupancy of 20 Villas and it will go up by one for every addition of 50 more Villas. The main gate shall have 4 CCTV Cameras linked to the Web. These Security Guards will also patrol the entire boundary, including the unwallled boundary, to monitor and safeguard the community from trespassers and encroachers.
8. A permanent solution of constructing a compound wall is to be done within 3 months of completion of project.
9. Regular Cleaning of bushes and Ant hills in the community in general and more specifically in all the adjacent sites/area surrounding the Villas up to a minimum of 50 ft in all directions. 1 personnel should be exclusively deployed for this purpose as a large portion of the Community has empty sites. No fire shall be used to remove bushes.

10. Corpus fund and associated interest: Corpus fund, associated interest and its usage will always be transparent to all stakeholders. Complete visibility on Corpus collected, utilized and remaining balance shall be provided to all owners on asking as well as displayed on monthly basis for viewing on Notice Board of Club House.
